Fat ski for women to enjoy deep powder.

Advanced

Powder

**ATOMIC**  
**BACKLAND 107**

Length: 182cm  
Side cut: 137/107/124 | Radius/SL: 18.5  
Lightweight, built for charging in deep snow, but also smooth and stable on hard terrain

Advanced

Powder

**ARMADA**  
**TRACER 108**

Length: 172cm / 180cm  
Side cut: 134/108/126 (180cm) | Radius/SL: 18 (172cm) / 19 (180cm)  
Lighter fat ski for speed

Advanced

Powder

**LINE**  
**PESCADO**

Length: 180cm  
Side cut: 158/125/147 | Radius/SL: 19.5  
All kinds of play is possible with these; you can control the spray back with the swallow tail and slide the surface of the snow easily.

Advanced

Powder

**HEAD**  
**KORE99**

Length: 180cm  
Side cut: 134/99/120 (180cm) | Radius/SL: 17.0 (180cm)  
KORE 99 is perfect for skiers who want to aggressively carve up freshly laid snow.

Advanced

Powder

**LINE**  
**SAKANA**

Length: 181cm  
Side cut: 150/105/138 | Radius/SL: 15  
The thinner version of the popular Pescado. Even great in turns where the conditions have declined.

Advanced

Powder

**LINE**  
**MORDECAI**

Length: 179cm / 186cm  
Side cut: 141/114/138 (186cm) | Radius/SL: 17  
Ever popular balanced ski for playfulness, stability and versatility. Smooth ride and operation on powder.

Advanced

Powder

**LINE**  
**OUTLINE**

Length: 178cm / 186cm  
Side cut: 150/117/142 (186cm) | Radius/SL: 18.5 (186cm)  
Playful ski on powder

Advanced

Powder

**LINE**  
**SIR FRANCIS BACON SHORTY**

Length: 145cm / 155cm  
Side cut: 133/107/129 (155cm) | Radius/SL: 14 (155cm)  
Easy to maneuver women and junior fat ski

Advanced

Powder

**ATOMIC**  
**BACKLAND 107**

Length: 182cm  
Side cut: 137/107/124 | Radius/SL: 18.5  
Lightweight, built for charging in deep snow, but also smooth and stable on hard terrain

Advanced

Powder

**ATOMIC**  
**BACKLAND WMN 102**

Length: 156cm  
Side cut: 130/102/121 | Radius/SL: 14  
Fat ski for women that's lightweight and can enjoy its buoyancy with some speed.

Advanced

Powder

**ATOMIC**  
**BENT CHETLAR 120**

Length: 176cm / 184cm  
Side cut: 143/107/134 (184cm) | Radius/SL: 18 (176cm) / 19 (184cm)  
Friendly wide ride giving you the most float and better control

Advanced

Powder

**HEAD**  
**THE DAY**

Length: 143cm / 147cm / 153cm / 156cm / 161cm  
Made for powder loving riders, The Day is a perfect choice for carving up deep and steep powder conditions. With a longer nose and a short and thin tail, it has great buoyancy. The bamboo stringer that's set in the centre of the board also allows it to have plenty of flexibility. The Day Split Board allows you to turn at all kinds of terrains and climates.

Good Sports Recommends  
Good at carving to enjoy the slopes

Intermediate-Advanced  
Snowboard

Slopes

**HEAD**  
**SUPERSHAPE e-MAGNUM**

Length: 163cm / 170cm  
Side cut: 129/72/111 | Radius/SL: 11.9 (163cm) / 13.1 (170cm)  
All round ski with slightly wider center for all snow conditions and slopes. New EMC technology reduces vibrations and increases stability.

Intermediate-Advanced

Slopes

**HEAD**  
**SUPERSHAPE e-ORIGINAL MULTIFLEX**

Length: 163cm  
Side cut: 129/66/107 | Radius/SL: 11.1 (163cm)  
Newly added, this e-Original adopts the same center width as the original Supershape model. Ideal for those who like short and sharp turns. New EMC technology reduces vibrations and increases stability.

Intermediate-Advanced

Slopes

**HEAD**  
**SUPERSHAPE e-SPEED MULTIFLEX**

Length: 163cm / 170cm  
Side cut: 122/68/104 | Radius/SL: 12.7 (163cm) / 14 (170cm)  
All mountain ski for the experienced on piste racer who is looking for agile turns and easy handling. New EMC technology reduces vibrations and increases stability.

Intermediate-Advanced

Slopes

**HEAD**  
**EPIC JOY**

Length: 153cm / 158cm  
Side cut: 122/65/100 | Radius/SL: 9.9 (153cm) / 10.7 (158cm)  
Super light ski on piste skis for women. With the slimmest center width of 55mm, it promises a comfortable carving turn while retaining its balance and control.

Intermediate-Advanced

Slopes

**HEAD**  
**NATURAL INSTINCT**

Length: 156cm / 163cm  
Side cut: 125/73/108 (156cm) | Radius/SL: 10.8 (156cm) / 11.9 (163cm)  
Perfect ski for all levels of skiers to enjoy the groomed slopes.

Beginner-Intermediate

Slopes

**HEAD**  
**PURE JOY**

Length: 143cm / 148cm  
Side cut: 129/72/106 (143cm) | Radius/SL: 8.7 (143cm) / 9.4 (148cm)  
The Pure Joy is the perfect ski for women beginners. A fun ski that's easy to handle, you quickly see and feel your progress to the next level and beyond.

Beginner-Intermediate

Slopes

**HEAD**  
**RAW INSTINCT TI PRO**

Length: 156cm / 163cm / 170cm  
Side cut: 124/78/110 (170cm) | Radius/SL: 14.7 (170cm)  
Shaped for medium length turns and built with the perfect mix of metal and wood, the Raw Instinct is nimble, stable, and fun. It's your best friend on the groomed slopes for high speed carving turns. With its 78mm footprint, this also offers all riding experience for mountain side. If you like groomed slopes 50% and powder slope 50% of the time, this is for you.

Beginner-Intermediate

Slopes

**HEAD**  
**SUPER JOY**

Length: 153cm  
Side cut: 124/75/108 | Radius/SL: 10.5m (153cm)  
The most light weight and most easy to maneuver out of the JOY series. Designed for women so it has great flexibility, and perfect for our senior riders too. Great for riding mainly on the slopes.

Intermediate-Advanced

Slopes

**HEAD**  
**SUPERLIGHT INSTINCT**

Length: 163cm / 168cm  
Side cut: 122/65/100 (163cm) | Radius/SL: 11.9 (163cm)  
Lightest weight, high performance ski, very easy carving turn on groomed area. Recommended for easy, free and comfort skiing. At about 4,000g/l pair with bindings. Superlight Instinct offers you the lightest feeling and easy step at slope.

Beginner-Intermediate

Slopes

**HEAD**  
**SUPERSHAPE i.MAGNUM**

Length: 163cm / 170cm  
Side cut: 131/72/110 (170cm) | Radius/SL: 13.1 (170cm)  
SUPERSHAPE i.MAGNUM is the most versatile Supershape model. Easy to maneuver, and allows you to enjoy recreational carving as well as perform well out on the slopes.

Intermediate-Advanced

Slopes

**HEAD**  
**V-SHAPE V6**

Length: 156cm / 163cm  
Side cut: 132/78/113 (163cm) | Radius/SL: 11.5 (156cm) / 12.4 (163cm)  
The V-Shape V6 has a strong construction with weight saving technology for a fatigue-free day on the slopes.

Beginner-Intermediate

Slopes

**HEAD**  
**V-SHAPE V8**

Length: 163cm / 170cm  
Side cut: 130/75/112 (170cm) | Radius/SL: 12 (163cm) / 13.2 (170cm)  
The lighter high performance ski, V8's medium sidecut will let you make great turns both off and on piste. It's stable yet light and has plenty of speed. Our number one pick for this winter!

Intermediate-Advanced

Slopes

**IKONIC**  
**80 Ti**

Length: 163cm  
Side cut: 123/80/108 | Radius/SL: 14.5  
These retain the ability to make sharp movements even on the roughest slopes.

Beginner-Intermediate

Slopes

**IKONIC**  
**84 Ti**

Length: 163cm  
Side cut: 123/84/112 | Radius/SL: 14.5  
With plenty of flexibility and buoyancy, you can ride any sort of slope, whether it's groomed or not.

Beginner-Intermediate

Slopes

**XDR 84 TI + WARDEN MNC13**

Length: 165cm  
Side cut: 127/84/112 | Radius/SL: 13  
A great, stable ski with good grip no matter the condition.

Beginner-Intermediate

Slopes

**XDR 88 TI + WARDEN MNC13**

Length: 165cm  
Side cut: 129/88/112 | Radius/SL: 15  
Versatile ski with hemp used as its material.
